

Shaloh House Preschool & Kindergarten presents:
Earning While Learning!

Parents invest a lot of time & consideration in choosing the best place for their child's introduction to learning. You chose Shaloh House Preschool & Kindergarten. We have great respect and appreciation for this investment in your child's future.

Shaloh House wants to invest in your child, too!

Shaloh House Preschool & Kindergarten is excited to introduce the *Earning while Learning* investment program!

Beginning June 2011 your child will "earn" a "learning credit" valued at of 10% of the tuition paid* that year. The "learning credit" will accrue year after year to be applied exclusively toward Kindergarten tuition at Shaloh House Preschool & Kindergarten.

The credit is earned & used by the same child, it is non transferable and is for specific use for enrollment in Shaloh House Kindergarten class.
